PIMSY Plan	PIMSY Department	PIMSY Screen	PIMSY Platform	Type	Release Notes
Prime Professional Platinum	N/A	N/A	Desktop	N/A	To run the latest PIMSY version, please ensure your .NET version is 4.8 or higher. Keep in mind that older .NET versions won't support the update to the latest PIMSY version. You can review and confirm your system's compatibility by clicking the provided link below. https://dotnet.microsoft.com/en-us/download/dotnet-framework/net48
Platinum	N/A	N/A	Desktop Provider Portal	N/A	Next week, PIMSY be completing the criteria required for MIPS certification. More information coming soon.
Prime Professional Platinum	N/A	N/A	Provider Portal	Enhancement	When a user is automatically logged out a message will appear noting that they were logged out and when. After clicking OK the user will be taken to a login screen. This is a behavior change and will prevent users from being able to continue working in the portal despite already being logged out.
