Save Primary Diagnosis Save Service Diagnosis

Change which diagnosis is identified as the primary diagnosis for this specific session, select the diagnosis and save here.

Save Primary Diagnosis

Once a selection is made, click the Save Primary Diagnosis button to save as a primary diagnosis.

If there is a supporting diagnosis for this service date that should be the focus instead of the primary diagnosis, select the diagnosis and save here.

Save Service Diagnosis

To save your selection as a supporting diagnosis, click the Save Service Diagnosis button.

- A warning message will pop up asking if you would like to continue saving. Select yes if the appropriate selections have been made.

Save Primary Diagnosis

You are about to update all the claims for note to have a PRIMARY diagnosis of (290.12). Do you want to continue saving?

Yes No

- Only the primary diagnosis will be highlighted in green.
- Requires profile rule – Invoice List Modify
- Changes made to the service diagnosis will impact the claim for this note.
 - o Please note: While users will require the ability to modify an invoice, they will not be able to view the invoice unless the "Financial Menu View" rule is given.
